

What you need to know about your Medicaid Renewal

Important Information About your Medicaid Renewal

You may have to fill out a new Medicaid renewal yearly to stay in the Medicaid program. If you receive the renewal form, you must complete it. Information such as your income or immigration status may change from year to year, so you will be asked to provide an update every time you renew your Medicaid. Your Medicaid coverage may be closed because of incomplete information on the renewal form.

Before you submit your Medicaid renewal, be sure to have the following documentation ready:

You May Need to Provide These Documents (Send copies not originals)

- Proof of age (birth certificate or driver's license).
- Proof of all sources of income (paystubs or tax return, Social Security, Veteran's benefits, retirement accounts, and any other income).
- Proof of assets and other resources. Include copies of bank statements or other financial items if told to on your Medicaid renewal form.
- Proof of citizenship or immigration status.
- Proof of your disability: if you think you qualify because you are disabled, you may need to include documentation in your Medicaid renewal form.
- Proof of other insurance: include a copy of your other insurance ID card(s), or red, white, and blue Medicare card with your Medicaid renewal form.

After you send in your renewal, you may receive a Verification Checklist if any documentation is missing. BE SURE TO REVIEW AND RESPOND TO THIS REQUEST. If you do not, your Medicaid may be closed.
