

Caring for Allegan County

Community Opportunity Advisory Panel (COAP)

Welcome to OnPoint!

You are invited to attend the COAP group.

COAP works to improve the quality of mental health services.

Members include Staff, Individuals Receiving Services, Families, Friends, Advocates and Service Providers.

We talk about mental health services in Allegan County.

We work together to ensure the satisfaction of people served by OnPoint services.

We participate in surveys and review survey results

We share ideas to improve services and awareness

We identify future customer opportunities

We provide OnPoint with feedback regarding policy development and change

We review quality activity reports and provide feedback
